

IMPORTANT INFORMATION:

Please read our Covid-19 measures that are in place.

At Art & THRIVE we are so excited to be back at a venue. Things will be a little different when we see you again and we would like to take this opportunity to assure you that the new operating measures in place are to keep us all safe while we relax and enjoy a little more normality...and of course some social painting!

Prior to an Art & THRIVE painting evening you will be sent a health check questionnaire that you will need to printout, complete and sign at the venue when you arrive on the evening. By signing you will be declaring that you are fit and well to attend.

Refreshments.

As part of keeping you safe we are not able to supply you with food or refreshments at this venue. However, you are able to bring your own refreshments including wine. Please bring your own drinking vessels that you can remove at the end of the evening. It is advisable to bring your own bottled water. Unfortunately, anything left will have to be disposed of.

Health check questionnaire. *(Please make sure we have your correct email address to send this to).*

Contact details.

Upon arrival, you'll be asked for your name and telephone number which will be documented and kept for a minimum of 21 days after the event date.

Entry.

You will have your temperature checked before you are allowed to enter the hall. The venue is steam cleaned prior to and after occupation. Hand sanitizer will be made available at the entrance to the hall and at various access points throughout the painting session. If you have any questions please contact us at info@artandthrive.com
